AHHHHHH!!!This movie was THE movie that made me completely go bonkers over Song Joong Ki and resulted an epic tweet fest that was spurred by 3 simultaneous tweet squeals (Song Joong Ki - MINE!) of certain individuals.

ahem ahem, you guys know who you are For me the movie was badly written, and there was absolutely NO chemistry between SJK and HYS.. The dramatic scenes are also carried well by his great acting skills He really needs to headline his own drama.. But SJK's stellar performance was enough for me to squeal at his cuteness, his perfect comedic timing and just plain gorgeousness.
